Topic: My most treasured possession – listening.

Welcome again!

◆ We **have finished** our adventure with the first part of grammar **since** we **started** it last week.

◆ We **have studied** it **for** a long time now.

I am very proud of all of you ....who are doing their job :P

This week we are practising reading as well as listening :)

When it comes to reading you have your exercises on your page MyEnglushLab.

➤ You **have had** an account there **since** I **gave** you your code.

1. Jakie czasy zostały użyte w tym zdaniu?....

2. Przetłumacz zdanie na polski: ....

For today I would love you to do some listening and finish exercises on page 49 in your student's books. We **have talked** about our rooms/bedrooms. You **have described** them to me beautifully. Now we are going to talk about your **most treasured possessions**.

3. Przetłumacz tę frazę: .....

4. Tell me please what is your most treasured possession?

Don't tell me about your laptop/computer/mobile phone. Yes, they are very important, but I want to know about something sentimental.

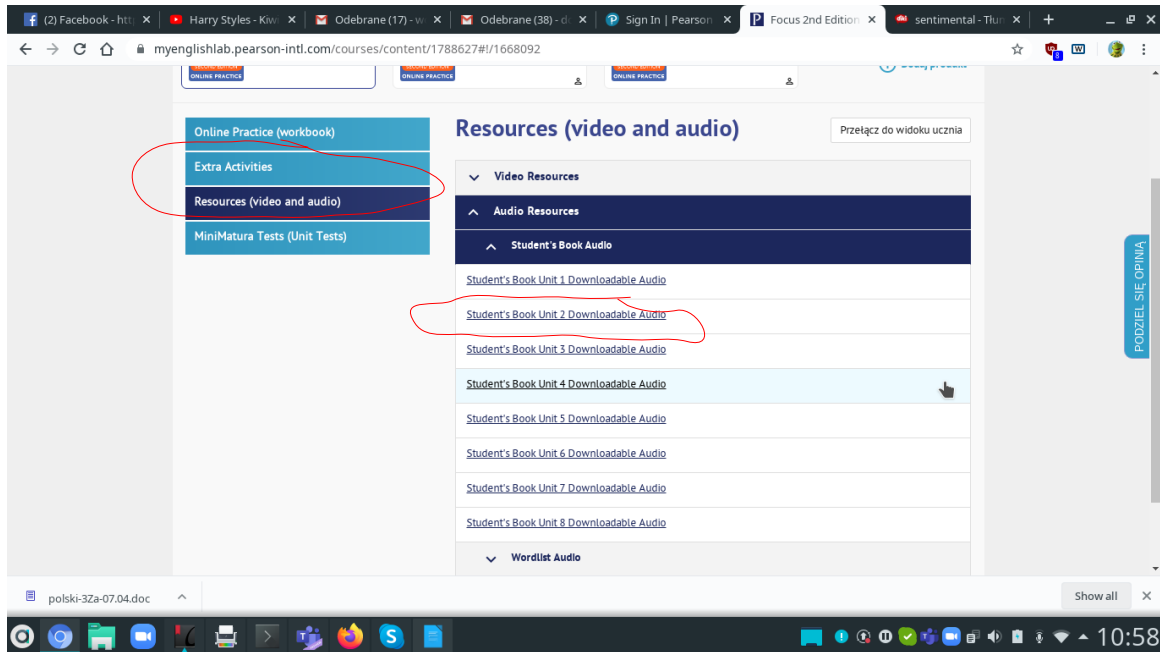

For me it's my fridge magnet collection :)

Oh! And these drawings of funny bananas done by one of my first students when I became an English teacher. I love it. It always makes me smile :D

Now, using: Resources (video and audio) on MyEnglishLab do activities: 5, 6, 8,10.

If you have any problems I **have already sent** you mp3 on google classroom.

In case of any troubles, please contact me :)

As always,

Take care and good luck!

Yours trully,

Mrs. Dorotka
